Follow up sunset and Virgil:

Upon arrival we encountered 3 individuals about a half city block apart. 2 individuals declined to speak to us. The 3rd individual talked to us but was slightly apprehensive. He declined shelter today but asked if we can check in on him next week in case he changes his mind. We provided a business card and provided water and resource list.

Santa Monica and Vermont: this location was a single person encampment. The deceased had a lot of belongings left at location. Possibly needs to have CSLA to respond.

Thank you.
